

ROICA Colour Perfect™ family is a world-first family of dyeable new colour dimensional stretch yarns. Choosing fabrics for garments with ROICA Colour Perfect™ family INSIDE you will enjoy a permanent and smooth, flawless colour finish with no visible grin-through with perfect deep and vivid shades in solids and prints for any base.

ROICA™ DS | Application | ACTIVATION / AQUA / STYLE#FIT / LEGWEAR / ESSENTIALS

- Dyeable with acid dye stuff
- Excellent, flawless, and unique color dimensions
- Less grin-through

▼ Comparison of colour tone of fabrics

[Sample] Two-way tricot
 * For both ROICA™ DS and basic ROICA™, a semi-dull type was used.
